Gibbon Back — Thronndson tops poll

In the largest turnout at the polls over five civic elections, St. Albert voters have returned Ray Gibbon as Mayor in a close contest with Dick Fowler: 1520 to

1366. Donald Bull picked up only 161 votes.

A newcomer to the municipal scene, school principal Rod Thronndson topped the voting for 6 councillors,

and five incumbents were returned to office: Thronndson (2,022) John deBrulin (911), John Bakker (788), Bob Hudson (704), René Kambouroff (595) and Frank Lukay (522). Not elected: Kolomyjec (1360) Parsons (1075) Morris (872) Donalds (801) and Gaunce (771).

In the protestant school board election the same thing happened. A newcomer, Donald Munro, topped the poll with 1061 votes, and four incumbents were returned: Charles Schroder (1024), Dr. Wm. Cuts (948) Bill Penrose (797) and Jim Wiltshire (771). Not elected Taylor (662) Davis (619) Unger (537) Sollanach (388).

Dave Fraser with 823 votes headed the polls for the catholic school board, Don Labelle was returned with 810, newcomer Al Gannon elected with 806, Sylvia Walsh returned with 753 and newcomer Ernest Howrish was elected with 599. Not Elected: Lynch (535).

Approximately 50% voted, compared with 16% in 1970, 15% in 1969, 40% in 1968 and 25% in 1967.

RURAL ELECTION LEGAL

The five incumbents were returned to office in Legal, headed by Roland Prefontaine with 192 votes: Joe Nault (187) Marcel Dube (179) Lorenzo St. Jean (152) and Leon St. Martin (121). Not elected: Don Hill 103, and Norman Cyr, 81. Mayor will be appointed at first meeting.

Elected to school board were Doreen Brisson, 286, and Allan Keane 239 votes. Not elected: Rene Maurier, 138.

GIBBONS

Ronald Smith topped the polls in Gibbons with 99 votes, incumbent Spencer Holmes, 90, Wilf Oliver, 87, Gladys Morin, 84 and Dermot Loblick, 84. The village of Gibbons moved from a 3-man to a 5-man council in this election.

Not elected: Joe Mablutt, 74 and Elaine Kerr, 32 votes

BON ACCORD

About 60% of the eligible voters went to the polls at Bon Accord and elected W. H. Deedman with 81 votes incumbent Elmer Brennan, 64 and Wm. James Nicholson, 54. They will appoint a mayor Friday night.

Not elected: Hugh Allen 47, R. Lapkin, 33 and C. L. Hegadoren, 32.

Trustees discuss busing and ASTA resolutions

The matter of student transportation was again discussed at the Oct. 6 meeting of the St. Albert protestant school board.

Prior to the meeting being called to order, trustees heard a small delegation of parents from the Mission area whose children are attending SAM school and who, because they are under the mile and one half transportation boundary, are presently walking to school.

The delegation approached the board with a view of re-installing last year's arrangement by which the parents paid \$5.50 per child per month for school bus transportation during the winter months.

Board chairman Charles Schroder assured the parents that the board is fully aware of their situation and is working on a solution. "We will try to do everything we can to maintain the agreement we had last year," he said.

Trustee Bill Penrose said the board should try to get the new government to review the present regulations and trustee Jim Wiltshire added that busing is an expensive proposition. "It costs almost one mill a year," he said.

Trustees later in the meeting carried Mr. Schroder's motion that the St. Albert protestant school district present an emergency resolution to the forthcoming annual convention of the Alberta School Trustees Association in regard to student transportation.

Bill Penrose's motion that the protestant school district, preferably in co-operation with the Catholic schools, approach the minister of education to ask for a review of transportation regulations, was also carried. "It is pretty upsetting when one sees the neighbor's kids getting on a school bus, while one's own kids bundle up and start walking," Mr. Penrose commented. This situation does now exist in the town, where one side of a street may be under the 1 1/2 mile boundary, while the other side is just over and students living there are bused to school.

Still on the subject of busing, the board received a letter from a resident stating that school buses going to Paul Kane vied "half empty." The board had previously been advised by an inspector that buses were "over-crowded." Secretary-treasurer George Hargreaves was asked to look into the matter and he reported that buses servicing the high school were, indeed, over-crowded.

Trustees carried Jim Wiltshire's motion that the secretary-treasurer be instructed to arrange the most convenient method to transport students in accordance with existing regulations.

In other business, trustee Dave Davis reported to the board that the study on assessment is making good progress and he expects it will be completed in the near future. The district undertook the study to find out if any tax dollars, which should be coming to the separate schools were, in fact, going to the other district. There are cases where children attend the protestant schools, but because of an error on the tax rolls, their parents' education tax-

es go to the Catholic schools. Mr. Davis reported that his committee so far has tracked down about 3,000 "lost" tax dollars. "Some errors have been found," he said, "and we are most determined that this board should obtain all the revenue it is entitled to."

As this was the last regular meeting before the elections, Bill Penrose felt a public expression of gratitude was in order. "This has been a very difficult year financially," he said, "and this board appreciates the co-operation it has received from the administrative staff, parents and students."

Charles Schroder expressed concern over the fact that in Alberta today "there are two election acts in operation." Mr. Schroder said the difference in regulations for election of school board and town officials could result in mass confusion and trouble at the polls. The main difference is that in order to be eligible to vote for school board, an elector must have resided in the municipality for 12 months prior to election day; to choose a town councillor there is no minimum residence requirement, providing the elector is a property owner. "These regulations should be the same," Mr. Schroder said, and proposed the board present a resolution to this effect at the ASTA convention.

On the matter of elections, Bill Penrose advised the board that a resolution will be presented at the ASTA annual convention asking that school and municipal elections be held at different dates. "We (school boards) take more money from people, (about 56 per cent of the tax dollar goes to education) we look after people's kids, we are the largest employing group, yet we are overwhelmed by municipal issues," Mr. Penrose said. The board

will discuss this matter again at its October 20th meeting.

Mr. Schroder said he had received several complaints from parents with regards to teachers asking for small amounts of money, for such things as art supplies or other items. Mr. Schroder asked that a full report on this matter be brought to the Oct. 20 meeting of the board at which time he will ask trustees to formulate regulations for the schools to follow. "We should either eliminate this practice completely or ask for the money at the first of the year," Mr. Schroder said. "Parents are continually being asked for 25 cents here and 50 cents there. I think we should cool it a bit."

Bill Penrose reported on the Canadian Education Association conference, held recently in Montreal. "There is a growing concern that schools are out of step with society and the feeling expressed by some delegates in Montreal was that if the school boards don't do something soon, government will step in," Mr. Penrose said that some delegates were of the opinion that school boards may be eliminated and it is expected that significant changes will take place on the education scene in the next few years. Mr. Penrose noted that Quebec teachers have asked that it not be compulsory for them to belong to the teachers' union, this is considered to be their first step towards professionalization he concluded.

A number of applications have been received from district teachers wishing to

take part in the department of national defence schools overseas program. Successful candidates will be posted overseas for a period of two to three years. Bill Penrose raised the question of whether or not the school district should hold such a teacher's job open for him. "I don't think we should block a teacher's job. The point is, he is gone for two or three years and we are holding his job." This matter is to be included under policy review.

Trustees voted in favor of allowing a grant in the amount of \$50 to the Lions Community Band and a further grant of \$50 to the beginners band.

Council moves on 3 developments

A revised proposal for a 22-suite apartment block on Mission and Perron has been approved by council subject to four recommendations from staff: a retaining wall from the north boundary of Perron street to the eastern limit; the reserve area to be levelled, topsoiled and grassed, providing access to the river; a concrete walk with steps from the retaining wall to the landscaped area, and substantial shrubbery along Mission, not to interfere with traffic.

A request by Shell Canada Limited that council reconsider their decision made in July not to allow a service

station in the Forest Lawn replot area (in Block G) until an over-all plan of the shopping centre for the area is submitted. Council voted 5-2 to stand by their original decision.

Council met with Mr. Carlyle, president and Mr. Bourbonnais of Hallmark Homes Ltd., on their proposal to construct two four-plexes on their .69 acres between Burnham and the end of Bishop street. The original application had been for one four-plex, but it was pointed out that the two units would conform with the present zoning. Mr. Bourbonnais noted that the plan was in to council and that the units

would be similar to that across the street. Because of the ravine in the lots they would have full basements, making them about two feet higher with the flat-roof plan. He said also that the property would be contoured to keep the trees.

Councillor Lukay observed the property was bounded on three sides by roads, and planner Woodroffe noted that the first application for one four-plex was agreed to by Alcan. Councillor Russell felt the new proposal deserved a look and staff should investigate. "It is a substantial parcel of 258' x 110' less the corner," he said. His motion to approve in principle and refer to staff was lost. The matter will go to committee for further investigation.

REASONABLE

On Tuesday evening, Sept. 26, two St. Albert girl guides were presented with Gold Cords by Pauline Vagueois, Tamarac area secretary. Recipients of the highest award in guiding were Jill Leggett, 29 Glenmore Crescent and Heather Tomlinson, 13 Sylvan Drive. Jill and Heather are members of the Third St. Albert Company. The girls were presented with cufflinks by Marilyn Wakefield, on behalf of the Sturgeon River Local and a gift from the CWL was presented by Anne Marie Venne. Pictured following the ceremony are Dick and June Leggett with Jill, Heather and Mrs. Tomlinson and Miss Vagueois.

figure skaters get new teacher

St. Albert figure skaters have a new teacher. The appointment has been announced of Mary-Jean Henderson, of Edmonton, to teach all phases of figure skating.

Miss Henderson, a 19 year old Science student at the U of A, started skating at the age of five. When she was 10, her family moved to Edmonton and Mary-Jean began skating through the community league. By the time she was 12, she had passed four blade tests and won a scholarship to attend summer skating school.

Mary-Jean took lessons from Gordon Linney and passed her first Canadian

test when she was 13. Five years later she passed her Gold Test.

A keen competitor, Miss Henderson won the Novice

MARY-JEAN HENDERSON

Ladies crown in the Alberta Championships in 1967. That same year she won the Prairie Sectional Championship.

Since then she has placed second in the junior event of the Alberta Free-skating and came in third in the senior event of the Alberta Sectional. Last year, Miss Henderson won the Manitoba Senior Ladies title, while training in Winnipeg.

Mary-Jean is looking forward to working with St. Albert figure skaters. "It looks like they are really going places," she said.

AROUND TOWN

The ladies of the Youville Auxiliary are busily preparing for their annual bazaar which this year will be held on Sunday, October 31. This event has long been a community favorite and residents are urged to mark this date on their calendars now.

The Society for the Retired and Semi-retired has lined up an interesting schedule of Tuesday afternoon discussion groups, to be held at their Edmonton office at 10030 - 102A Ave., beginning at 1:30 p.m.

On Oct. 19 the meeting will have as its subject the Alberta Health Care Insurance and the following Tuesday, Oct. 26, a medical doctor will speak on health and the senior citizen.

On Friday, Oct. 29, Fred Harnochko will show slides of England, Scotland and Wales, also beginning at 1:30 p.m.

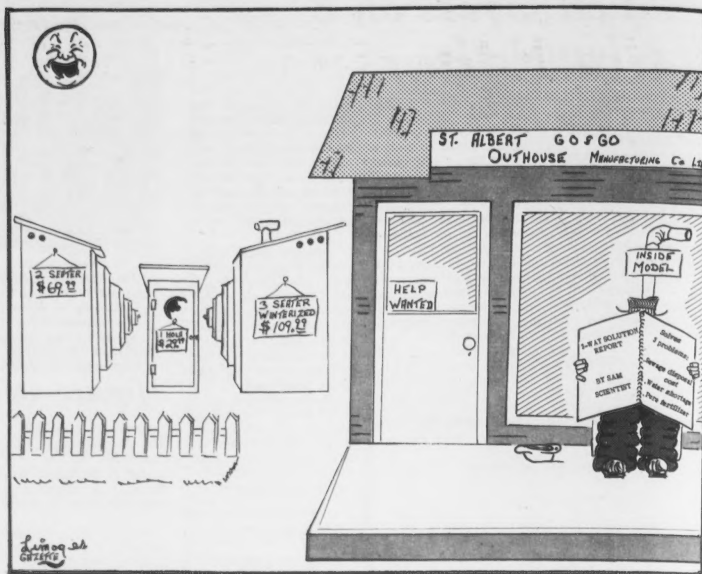

Senior citizens are invited to attend.

A community-wide service with the moderator of the United Church of Canada Dr. A. B. B. Moore will be held at McDougall United Church, on October 17 at 7:30 p.m. Reception to meet Dr. and Mrs. Moore will be held following the service.

Hank and Joanne Reinbold of 67 Glenhaven have a brand new son, born 4:30 a.m., Wednesday at Sturgeon General Hospital.

Mr. and Mrs. Alain Houle of 40 Birch Drive wish to announce the engagement of their daughter Yvette to Paul Brodeur, son of Mr. and Mrs. Romeo Brodeur of 78 Sheridan Drive.

The bilingual choir under the direction of Pauline Vaugeois is going well with an enthusiastic group of about 18 singers meeting each Wednesday evening at Pauline's home, 17 Madonna Dr., from 7:30 - 9. They include teen-agers, men and women and anyone is welcome. Phone 599-7030 for more information.

Thank-You

to Chairman Roger Garley and all the hardworking volunteers of the Gibbon campaign committee to the many unknown citizens who worked so hard on our behalf; to those who donated the Gibbon Booster publication; to the many young adults for their excellent efforts and to the girls and boys who delivered our pamphlets.

Thank you so very much,

Ray and Eileen Gibbon,
October 12, 1971.

Namoo pioneer dies in Vancouver

Funeral services were held in Vancouver recently for Will Samis, a pioneer of the Namoo district and late of Vancouver, who passed away Oct. 5 in his 70th year.

After attending school in Namoo and Edmonton, Mr. Samis farmed for some time

prior to joining the Loyal Edmonton Regiment. He was shipped to England and was one of a company to go to Spitzbergen. A motorcycle accident ended his army career.

Mr. Samis was a member of the Old Timers Association and the Veterans

Association in Edmonton. He was an avid sports fan.

He and his wife Pat, a nurse, operated a guest home for senior citizens in Vancouver.

He leaves to mourn his loss his wife Pat; five brothers, Glen, Ralph and Ted of Namoo, Ken of Edmonton

and Stewart of Fort Saskatchewan; four sisters, Mrs. Bertha Speers of Namoo, Mrs. Eva Hooper of Winnipeg, Mrs. Esther Miller of White Rock, B.C., and Mrs. Dorothy Haxby of Edmonton. Cremation followed.

what your teachers are asking ?

What is required for good teaching !

- Working conditions that are to the advantage of the student
- Consultation clauses which guarantee teachers a partnership role
- Satisfactory administration allowance
- Pre rate
- Fringe benefits - insurance, hospitalization programs
- Right to bargain - recognizing board's prerogative to set policy
- An adequate grid structure

Local control of education IS at stake

- Your teachers want to be **FULL** partners in providing quality education
- As they have done in the past **YOUR** teachers want to continue cooperating with **YOUR** local board
- But trustee decisions in this dispute are being made outside your area

This REMOVES local control of education
for information contact **ZEO-6077** or **ZEO-7129**

Presented by The Alberta Teachers' Association

Letters to the Editor

Fire Prevention In appreciation

The Editor:
We went to the fire hall to see their display for fire prevention week.

We saw a old doll house, and a new doll house. In the old doll house there was paper under the stairs, in the new doll house there was wires upstairs and paper and gaslin down stairs by the furnace.

You should not have paper or gaslin by the furnes. That could start a big fire. Then the fire man showed us the fire trucks. They were big. There were three trucks, two for St. Albert and one for the country. Then he told us how much the truck weighed. It weighed about 60 tons.

Then in the biggest truck he showed us how the sirin worked. Then he showed us the two fire phones. Then he showed us the kitchen, and the pool table. Then he showed us the chiefs office. Then he took us to the entrance.

Then we started asking questions. We enjoy it very much. As we left we saw the pretend cemetery.

Bye.

Audrey Jane Stibbe, age 9,
Evelyn Susan Hartmann,
age 8.

Scouts plan bottle drive

The cubs and scouts of the Third St. Albert group will be conducting their annual bottle drive this Saturday, October 16 beginning at approximately 9:30 a.m., in all areas of our community.

Each year the boys undertake this project to raise funds for their varied activities and so far, the project has been successful. The public's generosity and support will be greatly appreciated again this year.

THANK YOU ST. ALBERT for making our GRAND OPENING A GREAT BIG SUCCESS

If you were inconvenienced at all during our opening period, we apologize. You helped make this event a bigger success than we anticipated.

Dairy Queen

ST. ALBERT TRAIL & ST. ANNE -- PHONE 599-6500

coverage of pre-election activities. In spite of the large number of candidates, each candidate was allowed, on at least two occasions, to express his views and to present his platform. This effort on the part of The Gazette to keep the electorate informed is greatly appreciated by all.

The St. Albert Chamber of Commerce deserves a "pat on the back" for its organization of the election rally. Such a community-minded project is one to be emulated.

A special note of thanks to Mr. G. P. Moore, returning officer. His is a job requiring much organization, time, and effort and all too often taken for granted.

My fellow-candidates have displayed a fine forum of opinion and a true sense of sportsmanship.

It has been a good experience for all!!!

Thank you kindly.

Sylvia Walsh.

Mrs. Paulette Brassard of Leduc was the victim of a fatal car accident in Edmonton on October 5. She was 29 years of age.

The late Mrs. Brassard was raised and educated in Legal. After graduating she went to work in Edmonton for sometime prior to accepting employment at the Bank of Nova Scotia in Leduc.

She married Ted Sheffieldmaier in 1966. The couple moved to England where they resided for three months till the death of Mr. Sheffieldmaier. The couple had one child, Karen. Mrs. Brassard returned to Edmonton and took a number of courses in bookkeeping and accounting at NAIT.

In 1969 she married Ralph Brassard from Leduc and the couple had a daughter, Tammy.

Funeral services were held at St. Emile's church in Leduc on October 9 with Father Andre Desjardins and Father Lucien Tellier officiating. Interment was in the local cemetery.

Palbearers were Robert Brassard, Aurele Desjardins, Hugh Kroft, Raymond Leclair, Roger Bugnet and Ernest Lefebvre.

Mrs. Brassard is survived by her loving husband Ralph; two daughters, Karen and Tammy; her mother, Mrs. Diane Remillard, Leduc; two brothers, Maurice Remillard, Radville, Sask., Leo Remillard, Eckville; and seven sisters, Mrs. J. (Sra) Bugnet, Clyde; Mrs. M. (Laurette) Bugnet, Morinville; Mrs. A. (Aurore) Vandal, Prince George, B.C. Mrs. P. (Yvonne) Gauthier,

Two guides and two rangers from the Gibbons area were presented with Gold Cords at the Gibbons Community Hall, Sept. 30. Mrs. Doreen Lamoureux, Kanata division commissioner, and guide captain Mrs. Evelyn Fraser are shown here with the recipients of the highest award in guiding: Debbie Mitchell, Cathy Morin, Tracy Mabbutt and June Fraser. It was a special occasion for Mrs. Fraser, June is her daughter and Cathy is her grand-daughter! Assisting in the presentations were Mrs. Anne Chipchar, guide lieutenant, and Mrs. Irene Dohel, ranger lieutenant.

St. Albert and Gibbons guides receive gold cord certificates

The Hon. Dr. J. W. Grant MacEwan, lieutenant governor of Alberta, presented Gold Cord certificates to 209 guides and rangers in a ceremony at the Legislative Assembly Chamber, Friday evening, Oct. 8.

The Gold Cord is the highest award to be earned by a guide or ranger. The first Gold Cord to be earned in Alberta was awarded in the early 1930s.

This award requires an understanding of citizenship, proven ability in handicrafts and handicrafts, a study and participation in outdoor activities (some of which are hiking, astronomy, tracking and woodman), an extensive camping knowledge and experience in, and service to, the girl guide movement and the community.

Mrs. W. E. Beatty, provincial commissioner, welcomed the guests. The Honourable Horst Schmid, min-

ister of culture, youth and recreation, brought greetings from the Province of Alberta. Alderman B. C. Tanner represented the City of Edmonton.

The Gold Cord certificate candidates were presented by Mrs. D. M. Buchanan, provincial program commissioner, and Mrs. J. A. Blackett, deputy provincial commissioner. Jacqueline Rigney of Gibbons, a Gold Cord guide, addressed the audience of invited guests.

Guides from the Gibbons area who were presented with the certificate include June Colleen Fraser, Tracy Gaye Mabbutt, Debra Lee Mitchell, Catherine Morin, Jacqueline Rigney and Peggy May Williams.

St. Albert Gold Cord guides are Jillian Ann Leggett, Debbie Rutledge, Christine Telfer, Heather Lori Tomlinson and Bobi Jean Varner.

Rita DeLuca, formerly of St. Albert and now resident of North Vancouver, also received a certificate.

Christine Telfer, daughter of Mr. and Mrs. E. Telfer, 24 Bernard Drive, received her Gold Cord on Monday evening, October 4. Christine is a ranger with the SRS Nipigon. Lita York, division commissioner presented the cord to Christine.

Elk season opens Nov. 8

The minister of lands and forests, Dr. Allan A. Warrack, announces that elk hunting will take place this year in an area surrounding the Cypress Hills Provincial Park in an effort to offset elk damage to private property and leased pastures. The season will be for both male and female elk in all of Wildlife Management Unit G18 from November 8, 1971 to March 11, 1972.

A similar season adjacent to Waterton Lakes National Park has resulted in few elk being harvested but assisted in haystack and pasture damage control. The

season will be open to all holders of a valid elk licence. A stable herd of approximately 200 animals exists in the area. Hunters are reminded to seek permission of the landowner to hunt on his property.

Deer Season

The minister of the Alberta department of lands and forests, Dr. Allan A. Warrack announces that the Camp Wainwright deer season will open to Alberta residents on Nov. 18 to 20, Nov. 22 to 27 and Dec. 13 to 18.

M.D. of Sturgeon No. 90

Notice Of Land Expropriation For Road Purposes

Pursuant to the Expropriation procedures Act, Part 11, Sections 22 to 30, Chapter 130 R.S.A. 1970, the Council of the Municipal District of Sturgeon #90 proposes to expropriate .57 of an acre from River Lot 1 St. Albert Settlement for the purpose of road widening and construction and is prepared to pay compensation in the amount of (\$400.00) Four Hundred dollars per acre for the land to be expropriated plus (\$300.00) Three Hundred dollars for tree damages.

On October 14th, 1971 at 2:00 p.m. in the Council Chambers of the Municipal District of Sturgeon No. 90 Morinville, Alberta, a by-law will first be presented to the Council to authorize the expropriation of the aforementioned land.

A plan of survey of the land to be expropriated is on file in the office of the Secretary Treasurer at Morinville, Alberta and the plan is available for inspection between the hours of 8:30 a.m. and 4:30 p.m. Monday through Friday.

Before enactment of the by-law, the owner of the land to be expropriated is entitled to make representations to the Municipality and set forth his reasons why the land should not be expropriated.

If compensation cannot be mutually agreed upon for the land to be expropriated, then the amount of compensation will be ascertained by the Public Utilities Board at a future date.

Alphonse Nobert
Secretary Treasurer.

Mexican newly-weds tour St. Albert

"These are good things you have, you should appreciate it," says Christina Bravo, of Mexico City. Christina and her husband Ricardo are honeymooning in Alberta and in St. Albert they are the guests of Florence and Milton Burton.

The "good things" Christina speaks of are the glorious autumn colors they have collected and pressed many leaves) the orderly traffic, the big, open, clear skies, the friendly, relaxed Canadian way of life and our many modern facilities.

Christina and Ricardo are both high school math teachers and are more than just casually interested in education. In St. Albert they were given tours of St. Albert High and SAM schools by principals R. Johnston and R. Thronsdon. They were very much impressed with the facilities available here.

"You have very good equipment and large facilities," Christina said. In

Mexico, the pupil-teacher ratio averages 50 - 60 students per teacher! "How to manage the students is the first problem," adds Ricardo "Once that is resolved, everything else follows."

In Mexico, elementary schools are run in two shifts 8 - 130 and 2 - 7. Elementary teachers are paid "not too much" and many have to teach two shifts per day to make ends meet. One man, the minister of education, controls all schools and all teachers in Mexico at the elementary and secondary

levels.

In Mexico there is only one school system, the public schools. And no one is bused to school. "Some students travel for one and a half hours, one way, to get to school," Ricardo notes. High schools are run on a four shifts per day schedule, from 7 a.m. to 9 p.m. "Some students work all day and attend school from 5 - 9 p.m."

Schools in Mexico are free; elementary students pay nothing and those attending high school pay only

for books. University, too, is free. The students pay no fees, are only responsible for costs of books, about \$16 per year. Education is paid for through income taxes, Ricardo explains. "The poor and the middle income class pay for the country; the very rich do not pay in proportion to their incomes."

"The schools here, they have such big gymnasiums," says Christina. "In Mexico we don't have them, we have physical education outside." She was also very impress-

ed with the TV camera at SAM. "In Mexico, only the National University has one of those, and it had a difficult time obtaining it."

Mexican children start taking English instruction in grade seven, some

schools offer a choice between English and French. This is summer recess in the Mexican schools; Christina and Ricardo will commence their teaching duties in January, the start of the new semester.

Christina and Ricardo Bravo, of Mexico City, were given a tour of the St. Albert Town Hall by Mayor Ray Gibbon, when they dropped in for a visit last week. The couple are the guests of Milton and Florence Burton, 37 Mill Drive.

St. Albert High honors award winning students

A large number of academic, athletic and special awards were presented to students of St. Albert High when the school held its awards night, Tuesday, Oct. 12.

Master of ceremonies was Peter Byl, school principal R. Johnston and superintendent V. Maloney addressed the audience.

The academic proficiency awards, provided by the board of St. Albert public school district, were presented by Sylvia Walsh to Tim Deutscher, Linda Pavelich and Elaine Horky.

Mrs. Walsh also presented the grade 12 subject awards. These awards are donated by the school district and are presented to the student obtaining the highest mark in each grade 12 subject.

Receiving awards were Terry Bokenfor, Dawne Brenneis and Elaine Horky, for English 30, The Social Studies 30 award was won by Tim Deutscher.

Elaine Horky won the French 30 award; the Mathematics 30 award was presented to Tim Deutscher and scoring the highest marks in Math 31 was Linda Pavelich.

Tim Deutscher also won the awards for Physics 30 and Chemistry 30; the Biology 30 presentation was made to Terry Bokenfor and the English 33 award went to Simone Charters.

Highest marks in Office Practice 30 were scored by Lorna McRae, the Typing 30 award went to Debbie Lalonde and Veronica Wall was presented with the Economics 30 award.

Jeanette Feil won the awards for Accounting 30 and Business Machines 30.

The St. Albert Lions award was presented by Bill Jones. In making the presentation, Mr. Jones said each year the Lions present awards to the three grade 12 students in the two school districts who obtain the highest averages based on four departmental subjects written in one school year. This year, Tim Deutscher placed second with an average of 92.5 per cent.

Tim also received the CWL award, presented by Mrs. M. Venne. This award is presented to the St. Albert High student achieving the

highest mark on a departmental examination.

The Blais scholarship was presented to the three top grade nine students: Michel Carlepy, Janet Ferras and Debbie Kremer. Mr. C. McDonnell made the presentation on behalf of C. Blais, architect for Vital Grandin school.

Dr. W. Skrobot presented the Associate Medical Clinic scholarship to Don Kennedy. Don also won the Safeway trophy for his achievements in athletics.

The R. Lefebvre French award was presented to Elaine Horky, by Mrs. Lefebvre.

Mrs. Nell Ross presented the Proficiency award to Brenda Wenger and Debbie Small, grade 8; Michel Carlepy, grade 9; Evelyn Horky, grade 10; Carol McDonnell, grade 11 and Terry Bokenfor, grade 12. This award, donated by Mr. and Mrs. Ross, is presented to the student in each grade judged to best combine both academic and extra curricular achievement.

Sandy Willas and Peter Stanley were named outstanding junior high athletes. They won the R. Johnston trophy.

Denise Gravelle and Peter Byl won recognition for their contribution on the St. Albert High student executive. P. Lockert presented them with the W. Soprovich trophy.

Public speaking awards were presented to Colleen Sheehan, grade 8; Marlys Holth (9); Jocelyn Durocher, (10); Diane Sheehan (11) and Leonie Gibeau, grade 12. Mrs. M. Ferry made the presentation.

Reach for the Top scrolls and pins, donated by the CBC, were awarded to Carol McDonnell, Julian Romanko, Ray Soetaert and Todd Cassidy.

In addition to these major awards, a great many medallions, awarded by the Students Union, were presented to pupils attaining an 80 per cent average on core courses throughout the year. In all, 56 such awards were made.

Junior high activities medals were presented to 42 students, senior students presented with a similar award numbered 29.

P. Lockert is shown with Denise Gravelle and Peter Byl who were recognized for their contribution on the St. Albert High student executive.

Don Kennedy, winner of the major athletic award and the Associate Medical Clinic scholarship, and Tim Deutscher, winner of four grade 12 subject awards were among many students honored at St. Albert High's Award Night, Oct. 12.

LCW plan Harvest Festival

The women of the Evangelical Lutheran Church are once again busily preparing for their annual Harvest Festival. They are planning an exciting and interesting program with many of the church groups participating.

Special guests from other Lutheran churches have been invited to take part in the program.

Refreshments and fellowship will follow the program. The public are cordially in-

ited to come out to this Harvest Festival on Sunday, Oct. 17 at 7 p.m.

st. albert & sturgeon gazette **Sports**

Last Tuesday saw more than 30 players take in the St. Albert Comets senior hockey team practice in St. Albert. Coach Ken Schwartz is seen discussing one of the many drills his players went through.

New try-outs looking good for Comets

St. Albert Comets senior hockey team under head coach Ken Schwartz, held their first practice of the season Tuesday night in the arena with about 30 players in camp.

Both Schwartz and manager Rene Pouliot were more than pleased at the number of big strong young fellows trying out.

Another plus was the fact four goalies showed up and two more couldn't make it, but are on tap. Goaltending was one of the Comets weak points last year, and they had to play their last half a dozen games with an injured Bernie Alain.

Most of last year's squad were on hand and they way some of the newcomers were showing, there will no doubt be a number of changes.

One pleasant sight was that big Al Laplante was out early, after having missed the first few games last year. He will no doubt give last year's leading scorer, Jim Reed, a fight for the club scoring championship, as he finished only 11 points behind.

Comets practice each Tuesday at 10:30 p.m., Friday at 8 p.m. and Sunday at 8 p.m., until the season starts the first week in November.

Two kids were discussing how tough their neighborhoods were. One said: "My neighborhood is so tough that nobody ever asks you what time it is. They just take your watch."

Qui Barre Cabaret will aid centre

A "Cabaret" will be the first public event in Riviere Qui Barre's new Recreation Centre on Friday, October 22, and from all reports it's going to be a real fun evening.

The enterprising Recreation Society in Qui Barre, under President Angus McDonnell, has had the full support of the community in its move to convert the gymnasium at Camilla school into a centre to serve the district. Already the shell is up for a lunchroom and kitchen addition and proceeds from the cabaret will

be used for its completion. Dave Terrault and his Golden Altos will be on the bandstand from nine until beating out old and new favorites for youngsters, oldsters and in-betweeners. The association promises that

any speeches will be short and sweet, so politicians and pundits take note!

The women are looking after a midnight supper and anyway you look at it the Qui Barre cabaret is going to be a swinging affair.

Referee Clinic

A referee clinic sponsored by the St. Albert Parks and Recreation Department and the Kinsmen Minor Hockey Association will be held October 16 and 17 from 9 a.m. till 4 p.m. each day.

On Saturday the clinic will be held in the auditorium at Sir George Simpson with members going over various rules etc. On Sunday morning the clinic will shift to the arena for on the ice instruction.

Referees are required at all levels of hockey from mite to juvenile and men's league.

Ball banquet goes Sunday

Minor baseball chairman Bob Prather wishes to remind everyone of the annual baseball banquet this Sunday, October 13 at the Club Mocombo starting at 4 p.m.

Tickets are \$1.75 each and coaches are asked to contact Mr. Prather to get their supply.

Guest speakers are being lined up and the program should be very entertaining.

ST. ALBERT RECREATION HI — LITES

As previously announced a YWCA get-and-keep trim course for ladies will start Monday, October 18. It will be held each Monday evening for eight weeks in Father Jan School, Mission Avenue from 8 - 9:30 p.m. each evening. Registrations will be taken at the first class; the cost is \$6.00. SQUARE DANCING:

A class for beginners (8-

12 years) is being sponsored by the St. Albert Saints and Sinners and 32 young people turned out for the first class held last Thursday. There's always room for more and young men in this age group will be particularly welcome. Information about this class can be obtained by phoning Mrs. Johnson at 590-8912 or Mrs. Terrault at 599-6896.

SKATING:

There are still a few openings in the figure skating classes at the silver, gold, 1st test (CSFA) and dance levels. Information can be obtained by phoning Mrs. Val Bradley at 599-8733.

The St. Albert Figure Skating Club will be sending out letters this week to those who have registered in the classes which start during the week beginning October 18. These will contain information about classes, practices, etc.

BASKETBALL: Registrations for basketball (boys and girls 12 and over) will be taken at Vital Grandin School on Tuesday, October 19 at 7 p.m. The gym has been reserved on Tuesday and Thursday evenings and according to the response at registration,

practices will be held on either or both evenings from 7 - 9 p.m.

This program is sponsored by the Hercules Sports Association and fees should be paid at the time of registration. The annual Hercules membership fee covers all activities sponsored by the association and anyone with a membership can participate in the basketball, soccer, girls' softball programs. A family membership costs \$5 and an individual membership costs \$3.00.

SPORTS CLUB:

Interest in this "unstructured activity" is growing. From small beginnings some years back when a few people met each Thursday evening in Father Jan School to keep fit by having fun with volleyball, etc., the Club is now expanding to

include badminton and perhaps basketball. For information, phone the Department of Recreation at 599-6001.

MORINVILLE MEMOS

By Rose Martel

Mr. and Mrs. Clem La-vallee from Victoria and Edmonton were visitors in Morinville last week.

The warm sunny weather is speeding up the harvest which was delayed by rain and snow showers in the district for the past three weekends.

The parent committee of the Morinville Cubs held a meeting last week, and elected the following executive: President, George Morris; secretary, Alice Woytkiw; treasurer, Terry Curtis. Club leaders are: Georges West, Sandra Johnson, Bernard Houle from one pack with 14 cubs. Ed Barr leads the other cub pack with 13 members, assisted by Carol Undrum.

A sincere expression of sympathy is extended to Mrs. Robert Lapointe of Morinville and to her mother, Mrs. Dianne Remillard of Legal, on the tragic accidental death of Mrs. Paulette Brassard, 29 (nee Remillard) who was killed in a car-truck collision last week near Ledue.

Among those who were hospitalized recently are: Richard Willis, William Krauskopf, August Meyers Marcel Schayes, Effie Richard, Florestine Schayes, and Cathy Telford.

Many inquiries have been received as to how Pete, our local shoemaker, is recovering from his recent accident? Pete is resting in the Glenrose hospital, and all friends are most welcome to visit him there.

Both Arthur Krauskopf and Cheryl Chevigny are resting at home after a long stay in hospital.

The Morinville Board of Trade welcomed Ernie Jamison, MLA, as guest speaker at their October supper meeting. It was an informal round table discussion and Mr. Jamison suggested that meeting agendas be well prepared, to encourage more enthusiasm among local business people to take an active part in the Board of Trade. He suggested that an industrial development committee be formed to promote a land bank along with the co-operation of the MD of Sturgeon and Morinville town council. It is very important to the new Alberta Government to promote industrial expansion in rural areas stated Mr. Jamison. President Lou Calder introduced and thanked Mr. Jamison. Pete Gibeault will convene the November meeting.

Some 600 children from Thibault school district #35 are enjoying an extra holiday from classes as the teachers strike goes on.

RURAL RECREATION

By Carl Ryan, Recreation Director, MD Sturgeon.

People interested in the formation of a Minor Hockey Association in the MD Sturgeon should get in touch with me as soon as possible. Such an association could co-ordinate all levels of minor hockey throughout the district. Please telephone me at 256-3321 or 424-6276 between the hours of one and three o'clock.

There are a number of clinics and workshops arranged at various centres which would be well worthwhile for people in the district interested in getting involved with various recreation programs. I would be happy to provide further information on any of these workshops.

1. Therapeutic Recreation Association Workshop, Nov. 4 - 7, 1971, Outdoor Education Centre, Hinton, Alberta.

2. Figure Skating instructors, Nov. 13 - 14, Westlock, Alberta.

3. Ceramics 1 Basic, 1st session - Nov. 1 - 5, 2nd session - Nov. 6 - 10, Westlock, Alberta.

4. Provincial Gymnastics Coaching, Instructors and Judges Clinic, November or

December, University of Calgary.

5. Youth Activities Committee Camp Workshop, Dec. 26 - 31; Hinton, Alta.
6. Ski Instructors Clinic, Nov. 20, 1971, Fairview, Alberta.

LEGAL LOCALS

By Lucienne Montpelt
Expressions of sympathy are extended to Mrs. Diane Remillard who is mourning the loss of her daughter, Mrs. Paulette Brassard.

Mr. Bill Krauskopf is back home recovering after spending sometime in the hospital.

The Parish Council is calling a meeting of the CWL, les Femmes Chretiennes and all interested ladies to plan the fall chicken supper. Plan to attend this meeting on Friday, Oct. 15 at 8 p.m. in the Rec. Centre.

Morinville Prairie Chicken and District Square Dancers will sponsor a social evening at the Legal Recreation Centre on Oct. 18 from 8:30 to 11. Free lunch and free admission. Everyone welcome. Young and old.

Notice

from Legal Recreation Board

Tenders are now open for a caretaker for the Legal Arena this winter. Send your bids to Mrs. Agnes Montpelt on or before October 30, 1971.

Alcomdale Clothing Club News

By Elizabeth Siltzen

The reorganization meeting of the Alcomdale 4th Sewing Club was held on Sept. 23 at the home of Mrs. L. Dehnke. Mary Menstink led the 10 members in the repeating of the pledge. The group elected the following executive:

President - Frances Busenius; vice-president, Kathy Kyle; secretary, Helen Busenius; treasurer, Mary Mensink; club reporter - Elizabeth Siltzen; leader - Mrs. H. Busenius; assistant leader - Mrs. L. Whitson.

Serving on the adult committee are Mrs. Dehnke, Mrs. Kyle, Mrs. Siltzen, Mrs. Dionne, Mrs. Menstink, Mrs. Trautman, and

Mrs. Palmer.

The group's regional council member is Shirley Dehnke and district council member is Elizabeth Siltzen.

The club welcomed the following new members, Denise Dionne, Cindy Trautman, Debbie Palmer and Margaret Mensink.

SUN. NOV. 7 - Pot Luck supper at Calahoo church basement, beginning at 5 p.m.

Parish to mark 50th anniversary

October 17, 1971 is the date set for the 50th anniversary celebration of St. Mary of the Assumption parish at Westlock. At 5 p.m. there will be a Celebrated Mass with His Excellency Bishop Edward

Gagnon as chief celebrant. After Mass a buffet supper will be served in the Memorial Hall at 6:30 p.m. with a program to follow. Anyone wishing to join in this celebration is most welcome.

Public invited to learn about A.C.L.D.

The Association for Children with Learning Disabilities is an organization set up to help parents, teachers, doctors and others interested in children's learning.

Children with specific learning problems need understanding and help and the purpose of the association is to provide information to its members about these children. Such children are usually average or better in ability but they have difficulty functioning in a regular classroom. Detection of the difficulties and putting into effect of a suitable program for each child is not easy.

The association provides programs to educate parents, teachers and others about these children and their difficulties in learning.

The Edmonton Branch of the A.C.L.D. have consented to come to St. Albert to tell what they have been doing. All parents, teachers and interested people in St. Albert and surrounding areas are asked to attend the PTA meeting at Leo Nickerson School on October 20 at 8 p.m. It may be that a branch could be set up in St. Albert or that St. Albert could join an existing branch.

Interest and concern for children with these problems is growing. The Honourable Lou Hyndman, the minister of education, has attended several learning disability conferences in order to learn about this serious educational problem.

John Beckingham, an Edmonton lawyer, who is president of the Edmonton Branch, addressed school trustees recently at an ASTA convention, telling about learning disabilities. Local trustees were impressed with his presentation. A three day conference is being planned in Edmonton for early December by the association.

It has been estimated that five per cent of all children have a learning disability; however, not all of these children need special classes. In St. Albert, the number of children requiring specialized assistance is estimated to be sufficient in number to warrant two special classes.

At present, these youngsters are attending regular classes and are not functioning well. It is pointed out that these children are not candidates for opportunity rooms - these rooms are for students with a low learning ability. Youngsters with a learning disability are usually above average students - once their disability has been diagnosed.

The provincial government will at present provide grants to a school district in the amount of \$5,000 for setting up a learning-disability classroom. In a district the size of St. Albert this amount would not fully cover an adequate program.

This would appear to be a problem school boards will have to come to grips with in the not too distant future.

Teachers welcome new members

At a recent ceremony held at Club Mocombo, 19 teachers were officially inducted into the Alberta Teachers Association.

The St. Albert Local of the ATA annually welcomes teachers who are new to the teaching profession and those new to Alberta.

This year those teachers new to the profession, Alberta and St. Albert, are listed below as follows:

Father Jan - Mrs. Theresa Clark.

Vital Grandin - Mrs. Marlene Atkinson, Mr. John Tym.

Albert Lacombe - Mrs. Ramona Giacobbo, Miss Rita McDowell, Mr. John Marchand, Mr. Maurice Froment.

Paul Kane - Mr. Douglas Smart, Mr. Robert Heyworth.

Sir George Simpson - Mr. Ted Kulpa, Mr. Gary Unterschultz, Mrs. Sandra Mitchell, Mr. Jim Morrison.

Sir Alexander Mackenzie Mr. Larry Dick, Robert Rundle - Mrs. Diana Smith.

Teachers who have previous teaching experience and are new teaching in St. Albert include:

St. Albert High - Mr.

Yet another new business opened its doors in St. Albert last week. Here, Mayor Ray Gibbon officiates at the official opening of the Dairy Queen Brazier restaurant. Max McCann, owner of the popular new eatingspot looks on.

Blood Clinic coming

The CWL will be sponsoring a Blood Donor Clinic to be held in the community hall on Monday, Oct. 25, from 6:30 - 9:30 p.m.

In the fall of last year the clinic in St. Albert brought in 72 pints, whereas this spring's clinic brought in 147 pints.

The contention of the Red

Cross is that for a population of 14,000 with a 100 bed hospital, a possible 700 pints of blood may be needed in the ensuing year.

Please offer this life-giving blood on the 25th. The CWL will serve you one for the road... Coffee and doughnuts.

As I See It

Last week in this column readers were presented with the teachers' viewpoints in the dispute between the Alberta Teachers' Association and school boards which has now resulted in the closing of our schools.

This week through the courtesy of Mrs. Mariel and Sturgeon Gazette, we, the trustees, have been given the opportunity to explain our position.

What has led to strike? From the trustees' point of view the answer is simple: The ATA is trying desperately to break down the regional bargaining procedures which have been adopted by 60 Alberta school boards. And they are using the controversial "consultation clause" issue merely as an instrument to explain their goal.

What is regional bargaining? At the suggestion of trustees legislation was included in new School Act in 1970 which would allow school boards to join together for the purpose of collective bargaining with their teachers. Trustees saw in this legislation a way in which school boards could counter-act what they considered to be unfair bargaining tactics by the ATA. These tactics had resulted in a situation whereby the ATA would play one school board against another during negotiations. If one board resisted an ATA demand the teachers would simply concentrate their forces on a neighboring school system until they gained their way. They would then press the same demand on the original board using the second board's acceptance to support their case.

Naturally the ATA opposed this partial unification of school boards. Conse-

quently in this year's negotiations they have deliberately imposed demands on regional bargaining units which preclude any possibilities for reasonable settlements. In order to cast an unfavorable light on the bargaining units they have at the same time actively pursued and gained agreements with individual boards which in many cases, do not include the demands which are facing the boards in the bargaining units.

An example of this strategy is the ATA demand for a "consultation clause" in the collective agreement. Taken at face value this is simply a desire on the part of teachers to be consulted before school boards make decisions which will affect their working conditions. If

this was the only intent of the clause there would be no hesitation on the part of trustees. School boards firmly believe that consultation with teachers is imperative if a school system is to function successfully and many have already set up communication or liaison committees to ensure that consultation will take place.

However, it has become evident to school board negotiators that "consultation" has a much deeper meaning to the ATA. What teachers really want is the right to determine their working conditions - a right which would in turn give them the power to control almost every facet of the school system. This would place school boards in the

untenable position of having to negotiate with their teachers almost every action they propose to take in the education system.

Faced with this situation regional bargaining units have had no choice but to refuse the demand. And the ATA knows it. They have used it to push the regional bargaining units right to the brink of teacher strikes while at the same time they have settled contracts with approximately 70 individual school boards which do not include the "consultation clause." In fact, in most of these negotiations it was not even an issue.

Based on this knowledge the school boards in the regional bargaining units including the trustees of this

Thibault School District believe they have taken a reasonable position which is in keeping with their duties and responsibilities as the public's representatives in education.

We sincerely hope that the strike can be resolved at the earliest possible date. However, we are not prepared to bargain away the rights of students, parents

and taxpayers to have a voice in local educational matters.

Pontiac presents its value story for 1972.

Here are some of the features you'll find on the 1972 Pontiacs. Read about them.

Then compare them with others. Stack them up against your own standard of value.

Then come in and see the new cars at your Pontiac dealer's.

We believe you'll find the real value you've been looking for.

You know you can always count on Pontiac to introduce the kind of newness that means something more than just an extra dressing of tin.

This year, on all their full-size models, Pontiac's engineers have turned their attention to the little bumps and bruises of everyday driving life.

They've fitted two steel boxes filled with a resilient material between the front bumper and the frame. On minor impact, this material compresses to absorb energy, then returns to its original shape. And the bumper returns to position.

In addition, they've provided you with the option of ordering a thick strip of rubber-like material that runs

the whole width of both front and rear bumpers to help guard against scratches and dings.

Of course, every full-size Pontiac offers many other value features. Like a double-panel roof construction with a perforated inner panel that helps cut down inside noise. Draft free, upper level ventilation. Side guard beams in all the doors. Engines designed to run on no-lead or low-lead gasolines. Power front disc brakes, power steering and, on V8 models, automatic transmission, all standard.

Pontiac's trim-size LeMans also has something new and exciting to offer you in 1972.

A new luxury series, called, not surprisingly, Luxury LeMans.

Inside there's an instrument panel with the look of rare Geronimo teak. A "soft" rimmed steering wheel. And comfort. Real comfort. Inches of soft foam padding. Rich fabrics. Plush carpet. And vinyls so soft you could easily mistake them for leather.

Ventura II, Pontiac's newest baby, is a pocket-sized, pocket-priced beauty that is proving so popular that just about all we changed for 1972 was the nameplate.

Ventura II Coupe

Luxury LeMans Hardtop Coupe.

Firebird for 1972 is Pontiac's great-looking sports car that gives you all the luxury you want and all the sporty performance you want—at a price that will make Firebird most wanted by sports fans.

All this is a mere smattering of the features and values you'll be finding on the 1972 Pontiacs.

Pontiac Grand Prix, Grand Ville, Bonneville, Parisienne Brougham, Catalina, Laurentian, Luxury LeMans, LeMans, Ventura II, Firebird.

If this is the year you're looking for value, this is the year to look at Pontiac. Why don't you?

Pontiac value:

Isn't this what you've been looking for?

Laurentian Hardtop Coupe

Sturgeon Council Meets

The MD Sturgeon Council will enter into an agreement with the Town of Morinville to provide for a sewer line if need is required. The MD will give the town an 33-foot easement on Laurier avenue, and the town will accept Laurier avenue and canal responsibility for repair of damage to municipal property.

Council granted its consent to the annexation of land in the northwest sector to the Town of St. Albert, pursuant to a neighborhood basis plan, and in accordance with the joint meeting of the two councils in April.

Approval was given to plans submitted by Franci and Associates for the construction of a 100,000 Imperial gallon concrete water storage tank for Bon Accord; and the building to be constructed above the tank. Approval is conditional on the engineers providing a set back from the road on

the east side of the property, the same as where the existing well and pump house is located.

John Devereux was appointed MD representative on the Fort Saskatchewan Hospital Board. Appointments to the Sturgeon Hospital Board will be made in October.

The Local Authorities Board will conduct a hearing in the MD office on October 25, on an application for municipal tax exemption for the Oakhill Foundation.

The Ken Clark subdivision on S.E. 22-54-27-4 was approved, along with the registration, as all roads have been constructed and gravelled according to regulations.

Tax recovery land sale date was set for Dec. 29 at 2 p.m., to be held in the MD Council Chambers in Morinville.

BON ACCORD ACTIVITIES

By Sadie Allen

Cubs reorganization took place on Monday, Oct. 4, with a good turnout of parents and boys. The new parents committee are: President Eldon Samis; vice-president Louie Komick; secretary Pat McBridge; treasurer Linda Knutson; badge secretary Marj Kelly. The first cub meeting will be on Oct. 18 at the community centre.

We welcome the following new families to the village: Mr. and Mrs. E. Binner, Mr. and Mrs. Cunningham, Mr. and Mrs. M. Murdoch, and Mr. and Mrs. Rick Lawrence. Get well wishes to Mrs. Mary Arksey and Lorna Carleton both at the General, undergoing surgery.

Lillian and Marilyn Carleton, Edith Kowalski, Olga Ferbey, Rita Milligan and Elaine Whitson will attend leadership courses offered by the Department of Culture, Youth and Recreation at Camp He Ho Ha on Lake Isle for two consecutive weekends starting Oct. 15.

Mr. and Mrs. Ferdinand Lischewski are enjoying a visit from their son Willie and Mardell from Jasper with their children, Nadine, Rhonda and baby Clayton.

Werner and Toni Christen accompanied by Ferdinand and Elsa Lischewski enjoyed a visit with their daughter Elizabeth and Jim Verbeek now living at Evansburg.

Lillian and Olga will take leatherscraft, which will include garment making. Marilyn will take arts and crafts for children; Elaine, basic sewing; Edith, macrame—an ancient art of tying knots in string to create lacy-patterned articles and Rita is taking a keep fit course. Upon completing their courses, the ladies plan to offer keep fit and handcrafts to the community during the winter months. Those attending are sponsored by the Municipal District of Sturgeon.

Congratulations to Janet Baker, Mildred Wenzler and Fay Strawson on their scholastic achievement during the past year.

The community extends its sympathy to Irene Davis and Bert Hunter on the death of their father Mr. Harry Hunter.

The organization meeting of the BA 4th Light Horse Club is slated for Tuesday, Oct. 19 in the community centre clubroom at 7:30 p.m.

With the advent of good weather the farmers are very busy now harvesting. The combines are starting to roll and while there is a lot of hay to bale yet if the weather keeps, there will be a lot of work done. The frost has caused the leaves to change color to a very beautiful sight. We have beauty right in our own backyard.

James Thomson dies at age 83

Funeral services were held Sept. 11 at St. Mary Abbot Anglican church, Barrhead, for James Thomson of Alcomdale, who passed away Sept. 7 at the age of 83 after a long illness. Graveside services followed at the Anglican Cemetery, LaLaNonne. The Reverend Fabian W. Hugh officiated.

Mr. Thomson was born near Bala, North Wales, and came to Canada in 1925 with his wife and three children. His wife and infant child died in 1927. He married the former Agnes Mary Owen of Osoos, Shropshire, in Edmonton in 1930. The couple lived in the High Ridge area for some time, prior to buying a farm at Dunstable, where Mr. Thomson also served as post-master. The family moved to Alcomdale in 1946.

Mr. Thomson is survived by his wife, Agnes, one son, Robert James, Edmonton; two daughters, Mrs. J. (Jean) Morgan, Edmonton and Mrs. J. (Mary Elizabeth) Redwood, Buxby; two sisters, Mrs. C. (Allison) Welch, Barrhead and Mrs. Johann Gilmore, Scotland; five grandchildren and three great-grandchildren.

Honorary pallbearers were Mr. M. Hamilton, Pearson Stamper, Webb Robinson, Sam Michael, Hugh Redwood, George Redford. Active pallbearers were Alan Mills, George Miller, Joe Millar, Bill Morgan, Harry Young and John Lister.

The family have requested that memoriams be made to the Canadian Cancer Society.

Around Town

Most children have about four grandparents, and usually these people do a pretty good job of spoiling the youngsters. Take the case of one-year old Kevin Inatluk, of Edmonton. He has grandparents, great-grandparents and great-great-grandparents, 13 in all! Mr. and Mrs. Lucien Ekher, 20 Maple Drive, St. Albert and Mr. and Mrs. Dan Inatluk, Edmonton are the boy's grandparents. Kevin's seven great-grandparents include Leonard Pilon, Nanaimo, B.C.; Arnold Wagner, Okotoks,

Alberta; Mr. and Mrs. ArCADE Ekher, 26 Mission Avenue, St. Albert; Mr. and Mrs. Alex Gashyna, Dawson, Manitoba, and Mrs. Lena Inatluk, Grandview, Manitoba. The boy's great-great grandparents are Mrs. Christina Nolin, Calgary and Mrs. Florence Pilon, Victoria.

The girl guides of Sturgeon River district think the people of St. Albert are "fantastic." They are delighted with the wonderful support received for their paper drive.

Calahoo News

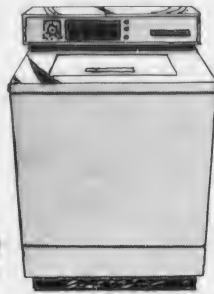

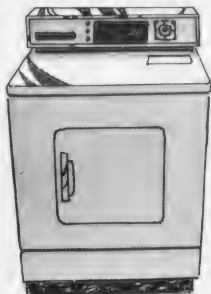

By Liz McLeod

Mrs. Birdie (McLeod) Russell celebrated her 78 birthday on Sept. 20 and got a pleasant surprise when her son Pete and Liz and Sharon paid her a visit. Mrs. Russell is working full time now, and is out of the lodge. Her employer is a very jolly friendly person, just 87 years young. Imagine going out to work at 78 years young.

Mrs. Alice Warren of Calahoo, now residing in

Onway received a visit of three former school mates at Speldhurst school which they attended more than 30 years ago. The visitors were Mrs. Myrtle Crowl from McLean, Alberta, Mrs. Harry Teel and husband from Mission, B.C., and Mrs. Helen Jarvis from Vancouver, B.C.

They came out to Gerald and Edna Guenettes' and Gerald took them around to see Alice and they were overwhelmed at the changes in the district.

The unbeatable pair

ELECTRIC DRYER

Electric drying is unbeatable for convenience and efficiency. A champ with permanent press garments. Accurate, gentle electric heat relaxes the wrinkles and then resets the press. A real winner with all fabrics from delicate acetate to rugged denim.

Let an electric dryer eliminate a lot of tedious ironing for you.

You can't lose with the electric pair.

CALGARY POWER

ELECTRIC WASHER

Water temperature, washing action and spin speed are automatically selected for perfect results. There's even special cool-down rinse for permanent press fabrics. And it washes everything from frillies to dirty sneakers. You'll have total freedom from washday worry.

Let an automatic electric washer do your dirty work from now on.

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS' OPINIONS

Urge prevention of rabbit damage to shelterbelts

Rabbits did a tremendous amount of damage to trees and shrubs in farm shelterbelts and orchards as well as to ornamentals and tree nurseries last year. Trees and shrubs planted close to native bushes are the most susceptible to damage.

To minimize the destruction that is likely to occur this winter, the head of Alberta's Crop Protection and Pest Control Branch, J. B. Gurba, recommends that farmers, homeowners and nurserymen take preventative measures this fall.

A fence of 36-inch wide poultry netting with 1 1/2 inch mesh is a practical way of protecting a small area of trees and shrubs. The lower edge should be buried a few inches in the ground or covered over with soil. Watch the snow depth during the winter, advises Mr. Gurba, and if necessary, add more netting. It can be held in place with temporary posts driven into the snow.

Wrapping the trunks and lower branches of trees with burlap is another practical method of protecting a small number of trees. The burlap should extend about four feet the tree. To prevent damage

from mold and disease in the spring be sure to remove the wrappings when the snow goes.

The best way to control rabbit damage to a large number of trees is to use a long-lasting commercial repellent such as Morton Chemical's Z.I.P. or Niagara Rodent Repellent. These and other commercial preparations also repel mice, beaver and deer. They can be either painted or sprayed on the trees, and are available from most farm chemical supply houses.

There are also a number of home-made repellents that do an equally good job of protecting trees and shrubs. One of these consists of Arasan 42S (liquid) or Arasan 75 (wettable powder) mixed with a water emulsifiable black asphalt at the rate of one part Arasan to 10 parts asphalt by weight. To use this mixture as a spray rather than as a paint, dilute it with water.

Another effective home-made repellent consists of one part nicotine sulphate (blackleaf 40) mixed with 10 parts of asphalt emulsion to which has been added two or three tablespoonsful of a

household detergent. The rabbit in these repellents is known as a "sticker." The "sticker" releases the repellent slowly and continuously over a long period.

Home-made repellents can be used either as a spray or as a paint, depending upon the number of trees to be treated. However, they should always be strained before being used in a spray or the nozzles will become clogged. Also, the entire spraying apparatus must be thoroughly rinsed after use with warm water followed by a solvent such as Varsol or kerosene.

Both commercial and home-made repellent paints and sprays should be applied in the late fall when the trees are dry and the temperature is above freezing, says Mr. Gurba. The trunks and lower branches of the trees should be treated up to a height of at least two feet above the maximum snow drift level in the area.

Further information on rabbit damage control can be obtained from the publication "Control of Mice, Rabbits and Deer in Orchards," available from your district agriculturist's office, Box 510, Morinville

Home decorating series coming to Morinville

With many new homes being built in and around Morinville, the need for consumer buyman information seems to be evident. So, with this in mind, the Morinville Ladies' Aide and the Alberta Department of Agriculture (DHE) are sponsoring an "Interior Decorating Series." The purpose of the Series, is to provide the consumer (that's you and me) with the "ammunition" and knowledge of what to look for when buying some interior decorating products. The following topics

will be dealt with:

November 1: "Hard-surfaced Floor coverings." -- Speaker will be from Armstrong Cork Co. of Canada.

November 8: "Soft-surfaced Floor coverings." -- Speaker will be Mr. McMahon from W. G. McMahon Ltd. November 15: "Wall coverings and paints" -- Speaker Joan Hume, Sherwin Williams Paint Co.

November 22: "Wall Paneling and Ceiling Tiles" -- Speaker will be from Weldwood of Canada.

November 29: "What's

DEPARTMENT OF AGRICULTURE -- PHONE 256-3351

Assistance applications due Nov. 15

--Issued by the District

Agriculturist's office

The deadline for applications under the Alberta government's rapeseed insect control assistance program is November 15.

Application forms for growers who are eligible for government assistance have been sent out to costly, municipal district and improvement district secretaries. The government is paying \$1 an acre towards the cost of either diox or

lannate used on rapeseed crops in the recent emergency. This assistance does not apply to flax, alfalfa, sugar beets or other crops where spraying is more or less a routine operation.

Rapeseed producers applying for financial assistance under the government's insect control assistance program will be asked to describe the chemical used and the rate of application. These questions are being asked so that the department of agriculture can evaluate the effectiveness of this year's emergency program.

New in Lighting" -- Speaker Calgary Power Home Economist.

November 6: "Buyman-ship of Large Appliances" Speaker -- Calgary Power Home Economist.

The program will be held in the basement of the Morinville Recreation Centre starting at 8 p.m. sharp and finishing around 9:30 p.m. Everyone is welcome to attend -- bring a friend or a neighbor along. So, set aside Monday evenings in November for Morinville's Interior Decorating Series. For more information contact your DHE at 256-3351.

Warble control should be done now

October and November are the months for treating beef and dry dairy cattle for warble control. All animals 300 lbs. and over must be treated. Milking cows

cannot be treated until spring.

If cattle are treated later than November, there is a possibility of toxic reaction and side effects.

The earlier the treatment, the easier it is on the animal. Any animal that is sick or under stress should not be treated. You can also expect better louse control with early treatment.

Pour-on Ruelene, that does not have to be mixed with water, is available this year. This product is used straight from the container the same as Neguvon.

Your Service Board are handling warble control insecticides again this year at a reduced price. Anyone wishing to have their cattle sprayed for grub control should contact the Fieldman at the MD office in Morinville. All warble control insecticides are available at the MD office in Morinville.

Remember, always read the label and follow directions carefully.

Don R. England, Fieldman.

FARM SAFETY
WORTH PRACTICING

Investigate before you invest

By Pat Prymak,

District Home Economist

There are many door to door salesmen travelling through the country selling various products. Most of these are completely reliable. However, since there are some unethical salesmen, it pays the consumer to investigate before purchasing anything at the door.

The first thing you should ask a salesman is to see his salesman's license. It is a pink wallet-sized card with the Alberta government's coat of arms on the top, the salesman's name and a statement to the effect that he is licensed as a salesman for such and such a company under the Licensing of Trades and Business Act.

If the company listed is only the sales agent, inquire who is the actual manufacturer and where they are located. The back of the

license will contain the type, or types, of product the salesman is authorized to sell.

Frequently towns and villages require door to door salesmen to purchase a local peddlers license. If you live within town or village limits, ask for this license.

It is very important that salesmen have these licenses. If they are reluctant to show them and start making excuses, it's time to become suspicious.

Don't be rushed into signing a contract. The rushing technique is commonly used by unethical salesmen. If a salesman says he will be in the neighborhood for one day, that the price of his product is going up tomorrow, or that the supply is so limited that you will not be able to buy it tomorrow, be very wary! Also, if the salesman uses a sympathy

appeal or hard luck story -- be wary!

Read the contract very carefully, making certain that you understand exactly what you are signing. Keep a copy of any contract you sign, and be sure it states the company address and the salesman's address. (It is a good idea to note his car license number on it also.)

There is an act in Alberta to protect people who buy from a direct salesman. It's called the Direct Sales Cancellation Act. Under it, the purchaser has four days, including Sunday, in which he may cancel his contract, providing he signed it in his own house. Cancellation must be done in writing. If the salesman suggests going to his motel room to sign the contract or doing it over a cup of coffee in a restaurant, he could well be trying to get around the Direct Sales Cancellation Act. If you want the protection of this act, ALWAYS sign a contract with a direct salesman in YOUR OWN RESIDENCE.

Always keep a copy of your letter cancelling a contract and send the original letter by registered mail. Then if any controversy arises later as to whether it was mailed within the four

day period, you have proof.

All solicitation may be investigated through the Better Business Bureau, 11765 Jasper Avenue, Edmonton, Phone 482-2341.

Marketing information is available

By Wallace Klatt,

District Agriculturist.

One of the important issues concerning agriculture products are markets. However, another factor just as important is marketing information.

Producers are encouraged to keep abreast of the trends, (world wide) with regard to production and markets.

Livestock show and sale

The Edmonton Exhibition Association in co-operation with the associations of Alberta Provincial Sheep Breeders and the Alberta Provincial Sheep Breeders will sponsor "Canada's Largest Swine Show and Sale" from November 1 - 3 at the Sales Pavilion Exhibition Grounds Edmonton.

For further information contact your district agriculturist at 256-3351.

I indicated some time ago, in the Gazette, that various information papers are available. The following two papers from the department of agriculture are available: Alberta Farm Market Analysis -- Alberta Farm Economist. You can obtain these by submitting your name and address to me. The response to date has been small.

Additionally, other papers are available through Agriculture, such as the "Wheat Pool Budget" and the Western Canadian Seed Processors "Newsletter."

Swine Sale

The Camrose Agricultural Society Sales Committee will be sponsoring its annual sale of registered swine on Thursday, November 25, 1971 at the Sales Pavilion Exhibition Grounds, Camrose.
